

EMT Training Rulemaking Update, July 31, 2007

The Notice of Final Rulemaking for the regular rulemaking portion of the EMT Training Rulemaking was filed with the Governor's Regulatory Review Council (GRRC) in June and will be considered by GRRC at its meeting on August 7, 2007. ADHS did not make any substantive changes in the rules between the Notice of Proposed Rulemaking and the Notice of Final Rulemaking. If the Notice of Final Rulemaking is approved by GRRC on August 7, the changes in it will become effective on October 6, 2007.

If the Notice of Final Rulemaking is approved by GRRC on August 7, ADHS intends to file a Notice of Exempt Rulemaking shortly thereafter to repeal R9-25-509 and adopt a new R9-25-513. The changes in the Notice of Exempt Rulemaking would also become effective on October 6, 2007.
